The scorebook sheet has the Away team pitchers at the right side (they should be at the top) to enable this exercise to fit on one page. "Goliath's" pitchers are Philip, Thomas and then Peter.

The object is to complete all the batting and pitching stats for the game using the following notes to complete the missing plays.

1. The pitcher for the "David" team is Simon and he pitches for the whole game. He gives up 6 runs in the top of the 5<sup>th</sup> inning.
2. Inning 1. Philip is replaced by Thomas after completing the first 3 batters. (colour in earned/unearned runs and transfer batting and pitching stats.
3. Inning 2. Andrew lays down a bunt that goes between the pitcher and the 3<sup>rd</sup> base line. The catcher runs into the field and collects the ball. He throws it to the 3<sup>rd</sup> baseman and the team completes a 254 GDP. Colour in the run and transfer the stats.
4. Inning 3. After Judas fouls the 3<sup>rd</sup> pitch into his feet, he is unable to continue and is replaced by Kane. Kane swings and misses the next pitch. Complete play and transfer stats.
5. Inning 4. Matthew hit the ball safely out to 7. Matthew reaches 1<sup>st</sup> base and Jude gets to 3<sup>rd</sup>. The fielding side throws the ball to the 2<sup>nd</sup> baseman and they appeal that Jude didn't touch 2<sup>nd</sup> base on the way to third. Jude is given out for missing the base. Complete the play and stats.
6. Inning 5. While James is at bat, Thomas pitches the ball and the umpire call "Balk". He then pops up to 1<sup>st</sup> base and is out. Record the pitch and play. Complete stats.
7. The rest of the game is straight forward. Peter comes in in the bottom of the 7<sup>th</sup> inning. Record the W/L/S (if there is a S). NB the away team pitches are written on the home team's sheet on the right hand side.
